

COOKIE POLICY

Through this policy, Creartys Production S.L. the cookies, what type of cookies this website uses, how you can disable them in your browser and how you can block the installation of third-party cookies.

WHAT ARE COOKIES?

Cookies are files that are installed on the user's computer (computer, smartphone, tablet, smart tv, etc.) in an automated way while browsing the Internet to allow the web page you visit to store and retrieve information about their habits. of navigation or your equipment and, depending on the information obtained, can be used to recognize the user and personalize and improve the service offered.

COOKIES TYPES

Depending on which entity manages the domain from which the cookies are sent and treats the data obtained, two types can be distinguished: own cookies and third-party cookies.

There is also a second classification according to the period of time that they remain stored in the client's browser, which may be session cookies or persistent cookies.

Finally, there is another classification with five types of cookies according to the purpose for which the data obtained is processed:

"Technical cookies": are those that allow the user to navigate through a web page, platform or application and the use of different options or services that exist in it, such as controlling traffic and data communication, identify the session, access restricted access parts, remember the elements that make up an order, perform the purchase process of an order, make the request for registration or participation in an event, use security elements during navigation, store contents for the diffusion of videos or sound or share content through social networks.

"Personalization cookies": These are those that allow the user to access the service with some predefined general characteristics based on a series of criteria in the user's terminal, such as

the language, the type of browser through which they access to the service, the regional configuration from where you access the service, etc.

"Analysis cookies": These are those that are well treated by us or by third parties, allow us to quantify the number of users and thus perform the measurement and statistical analysis of the use made by users of the service offered. To do this, we analyze your browsing on our website in order to improve the offer of products or services we offer you.

"Advertising cookies": those that, well treated by us or by third parties, allow us to manage in the most efficient way possible the offer of the advertising spaces that are on the website, adapting the content of the advertisement to the content of the requested service or to the use you make of our website. For this we can analyze your browsing habits on the Internet and we can show you advertisements related to your browsing profile.

"Behavioral advertising cookies": These are those that allow the management, in the most efficient way possible, of the advertising spaces that, if applicable, the editor has included in a web page, application or platform from which the requested service is provided. . These cookies store information on the behavior of users obtained through the continuous observation of their browsing habits, which allows the development of a specific profile to display advertising based on it.

"Third-Party Cookies": Websites may use third-party services that, on behalf of the owner of the domain, will collect information generally for statistical purposes and use analysis.

COOKIES USE

This website includes or may include features provided by third parties, such as Vimeo and YouTube multimedia services to include videos on our page, map services offered by Google Maps or social buttons to share our content.

This website also uses cookies with the following purposes:

- Ensure the correct functioning of the web.
- Store your usage preferences, such as the language you have selected or the font size.
- Know the user's browsing experience.

Collect statistical information anonymously, such as what pages the user has visited or how long they have stayed on the website.

THE COOKIES USED IN OUR WEB SITE:

Analytics

Through web analytics we do not obtain information about your name, surnames or your email or postal address. The information we obtain is related to the number of users accessing the website, the number of page views, the frequency and repetition of visits, their duration, the browser you use, the operator that provides the service, your language, the terminal that you use or the city to which your IP address is assigned. We use the Google Analytics service, a web analytics service developed by Google, which provides a navigation measurement and analysis service on our website. Google may use the data to improve its services and offer services to other companies.
